Ekal Vidyalaya Foundation of USA is a secular, non-partisan 501(c)(3) organization that empowers children through education. It also works in the village development programs in healthcare, livelihood creation and civic empowerment. Currently Ekal Vidyalaya Foundation runs schools and village development programs in over 27,000 schools and educates 789,420 students in all states of India. The Ekal foundation's goal is to reach 100,000 villages in India's tribal belt by 2015, in line with the United Nations Millennium Development Goals.
