

INTRODUCTORY CHEMISTRY AND CONCEPTS

June 19th, 2022 - August 28th, 2022

Sunday- 7:30 PM - 9:00 PM EST

Intended for 6th - 11th Graders

Sponsored By:

\$50 **Entry Fee** (Process given to EKAL Vidyalaya). Payable through Ekal.org

10 Wk **(One Class Per Week)** Virtual Meeting (Zoom)

Learn the innerworkings of Chemistry and applications in the real world. By mastering the topics of Introductory Chemistry.

Topics Discussed:

- Introduction to Chemistry
- Atomic Theory/Nuclear Chemistry
- Electrons and the Periodic Table
- Chemical Bonding and Water
- Chemical Reactions
- The Mole and Stoichiometry
- Acids/Bases/Equilibrium

Course Taught By: Dhruv Girish (10th Grade, Urbana High School)

EKAL Youth Frederick Chapter
