Ekal Youth Presents:

**INTRO TO PYTHON**

**TUESDAYS**
7/18-8/29
2-4 PM
(7 VIRTUAL SESSIONS)

Learn the basics of coding in Python!

**Grades 4-7**

**Class Size Max: 10**

In this course, students will learn Python with clear and concise explanations. In order to develop their Python programs, the attendees will master the fundamental syntax for variables, data structures, loops, and more! No prior knowledge is required.

Programming for Kids & Beginners

**Registration Cost: $60**
